Supervisor Greg Cox

In the Coming Week

OCEAN BEACH LIKES IT HOT

Braving the heat of local amateur chefs, Supervisor Greg Cox will serve as a guest chili judge for the 26th Annual Ocean Beach Street Fair, Chili Cook-off and Fireworks Festival. You can count on an ocean breeze to cool this chili's heat.

Saturday, June 25th along Newport Avenue in Ocean Beach. Street Fair begins at 10:00 am. Supervisor Cox will speak with constituents in the Ocean Beach Town Council's Booth from 10:00 am to 11:00 am. Chili Cook-off awards given at 2:30 pm. Fireworks off the OB Pier begin at 9:00 pm.

DON'T TELL SUPERVISOR COX BUT...

In a surprise ceremony, Supervisor Cox will be named the Grand Marshal of the 2005 Bonitafest Parade by the Bonita Business and Professional Association at their monthly luncheon in honor of his efforts to build the new Bonita-Sunnyside Library and Museum project.

Tuesday, June 28th at Noon at the Links Restaurant at the Chula Vista Municipal Golf Course, 4475 Bonita Road, Bonita.

CALLING FOR 2-1-1

Supervisor Greg Cox and the 2-1-1 San Diego Coalition will officially launch 2-1-1 service in San Diego County. 2-1-1 is the new national dialing code for health and human services that functions just like 911, but for non-emergency needs. After the launch, the public will be able to dial 2-1-1 for assistance 24/7 from any landline in the region.

Thursday, June 30th at 10:00am at Mission Bay Park, Tecolote Shores (immediately north of the entrance to Fiesta Island).

SOUTH COUNTY FOSTER PARENTS GET A PAT ON THE BACK

Supervisor Cox will help to recognize and thank South County foster parents for their selfless support of foster kids. The South San Diego County region has the most foster parents of any region in the County, remarkable individuals who choose to open their hearts and homes to children whose parents are unable to care for them.

Thursday, June 30th at Noon at the Chula Vista Municipal Golf Course, 4475 Bonita Road, Bonita.
